Fees for Group Spiritual Direction (4-10 people)

Six sessions for \$300 each

Note on accessibility

If money is a barrier to receiving spiritual care, please speak frankly with me. Everyone deserves care. If my open spots are taken I will help you find a care provider.

Please share with me any accommodations that might help you experience our sessions in the best way possible for you. I have some knowledge of trauma and neurodiversity but welcome your requests for accommodations so that I may learn and care for you mindfully.
